

## Valuable Free Limited Time Offer For You...

*Ever wish you had a crystal ball to find the answers?*

*Take advantage of this great opportunity!*

*Don't delay...schedule it today!*

**Do you keep hearing the same question over and over again but just cannot determine the correct answer? Do you hear and/or participate in the same debate? Have you been able to successfully make heads or tails of all of the changes in the industry these days?**

**If you answered no to any of these questions, now is the perfect opportunity for you to take advantage of a limited time offer...FREE 30 minutes of management services advice on any HME/DME issue that is on your mind. Here are just a few topics that may be of interest to you that we may assist you with:**

- Are you effectively utilizing the Medicare ERN? Do you really know its purpose and how you can use it to your advantage?
- I have an interpretation question on a Medicare policy that no one in our office can seem to agree on. How can I settle the debate?
- How can I find lost revenue by reviewing data in my software system?
- I am considering changing software what should I REALLY look for?
- My software doesn't seem to meet my needs. What should I do first?
- I am not quite sure how to get started with finding efficiencies in my organization. Where can I turn?

**Speak to one of our seasoned consultants, each have over 10 years of HME/DME management experience in reimbursement, software, and process optimization.**

Let us shed some light on your burning questions!
