Bargmann Management Gives Back to the Community

Akron, OH January 10, 2008 – The Associates of Bargmann Management and its subsidiary Homecare Collection Service opened their hearts, kitchens and pocketbooks for the those that benefit during the holiday season and throughout the year from the *Haven of Rest*. Funds were raised through traditional contributions, a bake sale and “jeans” days. A festive holiday tree was decorated with ornaments listing the needs of *Haven of Rest*. The generous employees plucked the ornaments off one by one and added to their shopping lists. Cash donations totaled over \$100.00 and 7 boxes of goodies were delivered to the facility.

In discussing this charitable event, Lisa Bargmann, President and CEO of Bargmann Management stated, “Haven of Rest Ministries is an amazing organization that gives so much to our community. It was our pleasure to give to this worthy cause. I had the privilege to tour the facilities of Haven of Rest last year and they are more than just a rescue mission; they are dedicated to changing the lives of the individuals and families that walk through their doors. They are teaching people skills that will help carry them through their lives.

“It was heartwarming to see our Associates so enthusiastically support the fundraising efforts during this holiday season. Everyone gladly pitched in, when I’m sure they were busy with their own holiday baking or shopping. Our Associates are always generous and genuinely enjoy helping others.”
